

# USJA

Welcome to the website of the United States Judo Association, America's service-oriented support organization for club leaders and their students. We work hard to provide accurate event listings for tournaments, clinics, and camps, plus contact information. We provide contact information for those seeking clubs or information on judo. We provide DVDs, books, uniforms, and other supplies at reasonable prices and with speedy, efficient delivery. We assist coaches in building their clubs, and provide them with membership rosters, forms, and an on line coaches portal. As a non-profit organization we strive to be the best at serving our members while keeping fees low and services high. Our goal is to help grow *American Judo in the spirit of judo's founder, Dr. Jigoro Kano.*
