## USJA Committees

Links to our committees and ongoing programs appear in this section. The USJA Board of Directors are democratically elected by our senior members every 4 years. The USJA has 2 standing committees; Promotion and Standards and Ethics. We are always looking for volunteers to serve on our various committees. The requirements are you must be an active member and have a current (cleared) background screen.

More information and committee reports can be found in the [USJA OFFICIAL DOCUMENTS](#) section.

As a non-profit organization we strive to be the best at serving our members while keeping fees low and services high.

Our goal is helping to grow *American Judo!*

[Gary Goltz](#) ,

USJA President
