

USJA Statement of Support for Fallen NYPD Officers

The recent tragic loss of two NYPD officers brings to mind the danger that is ever present in our society. The USJA has a long history of supporting and honoring the men and women who serve our great nation and its communities. Many of our members and clubs are associated with law enforcement through community programs and charitable non-profit Police Activities Leagues.

Please keep our nation's law enforcement officers in your thoughts and prayers as they continue to protect our communities with their lives – and remember those who have made the ultimate sacrifice.
